

SCHOOL DISTRICT OF LANCASTER

SECTION: PUPILS

TITLE: STUDENT WELLNESS

ADOPTED: 6/27/06

REVISED: 2/17/15

246 STUDENT WELLNESS	
<p>1. Purpose</p>	<p>The School District of Lancaster recognizes that student wellness and proper nutrition are related to students' physical well-being, growth, development, and readiness to learn. The Board is committed to providing a school environment that promotes student wellness, proper nutrition, nutrition education, and regular physical activity as part of the total learning experience. In a healthy school environment, students will learn about and participate in positive dietary and lifestyle practices that can improve student achievement.</p>
<p>2. Authority P.L. 108-265 Sec. 204</p>	<p>To promote the health and well-being of all students, the Board establishes that the district shall provide to students:</p> <ol style="list-style-type: none"> a. A comprehensive nutrition program consistent with federal and state requirements. b. Access at reasonable cost to foods and beverages that meet established nutritional guidelines. c. Physical education courses and opportunities for developmentally appropriate physical activity during the school day. d. Curriculum and programs for grades K-12 that are designed to educate students about proper nutrition and lifelong physical activity, in accordance with State Board of Education curriculum regulations and academic standards.
<p>3. Delegation of Responsibility Pol. 808</p>	<p>The Superintendent or designee shall be responsible to monitor district schools, programs, and curriculum to promote compliance with this policy, related policies and established guidelines or administrative regulations.</p> <p>Each building principal or designee shall ensure his/her school complies with the components of the Student Wellness Policy and report to the Superintendent or designee regarding compliance in his/her school.</p>

<p>P.L. 108-265 Sec. 204</p> <p>4. Guidelines</p>	<p>Staff members responsible for programs related to student wellness shall report to the Superintendent or designee regarding the status of such programs.</p> <p>The District shall periodically post, on its publically accessible website, the content of the Wellness Plan and assessment of its implementation.</p> <p>The Superintendent or designee shall annually report to the Board on the district’s compliance with law and policies related to student wellness. The report may include:</p> <ul style="list-style-type: none"> a. Assessment of school environment regarding student wellness issues. b. Evaluation of food services program. c. Review of all foods and beverages sold in schools for compliance with established nutrition guidelines. d. Listing of activities and programs conducted to promote nutrition and physical activity. e. Recommendations for policy and/or program revisions. f. Suggestions for improvement in specific areas. g. Feedback received from district staff, students, parents/guardians, community members and Wellness Committee. <p>An assurance that district guidelines for reimbursable meals are not less restrictive than regulations and guidelines issued for schools in accordance with federal law shall be provided annually by the:</p> <ul style="list-style-type: none"> a. Food Service Director. b. Cafeteria Manager. c. Business Manager. d. Superintendent <p><u>Wellness Committee</u></p> <p>The Board shall appoint a Wellness Committee comprised of at least one (1) of each of the following:</p>
---	--

	<ul style="list-style-type: none"> a. School Board member b. District administrator c. District food service representative d. PE/Wellness teacher e. school nurse f. service staff g. student h. parent/guardian i. representative of local or county agency j. representative of community organization <p>The Wellness Committee shall serve as an Advisory Committee regarding student health issues and shall be responsible for developing a Student Wellness Policy that complies with law to recommend to the Board for adoption.</p> <ul style="list-style-type: none"> a. The Wellness Committee may examine related research and laws, assess student needs and the current school environment, review existing board policies and administrative regulations, and raise awareness about student health issues. The Wellness Committee may make policy recommendations to the Board related to other health issues necessary to promote student wellness. b. The Wellness Committee may survey parents/guardians and/or students; conduct community forums or focus groups; collaborate with appropriate community agencies and organizations; and engage in similar activities, within the budget established for these purposes. c.
